About This Game

BlindOak Prow is a competitive strategy card game with unique, subtle tactics that mirror the political maneuvers of the setting. Form a party of four characters mixing and matching the six different classes however you'd like, then outwit your foes for control of the city and for your survival on a new land. Will you uphold the current order? Or will you lead the next mutiny?

Features:

- Eighteen unique characters, for over 3000 possible team combinations.
- Discover over 100 cards as you perfect your team. Practice against the AI, then put your team to the test against other players!
- Straightforward gameplay and deceptively simple strategy makes BlindOak Prow highly accessible for new card game players, while captivating the minds of experienced players.
